

Journey To Africa

Providing Safaris to Tanzania, Kenya and beyond

HAPPY NEW YEAR

FEBRUARY 2008

We at Journey To Africa wish all of you a great 2008.

What is in store for 2008

:: Safaris to Southern Tanzania ::

We are currently working with various lodges in Selous Game Reserve, Mahale, Ruaha and Katavi National Park. We are so excited about bringing Southern Tanzania to those who are on their second or third Safari to Tanzania or to those first time Tanzania Safari goers who are seeking an extension to their Northern Tanzanian Safari.

Our partners include lodges like Selous Safari Camp and Sand River in Selous Game Reserve, Katuma Bush Lodge and Chada Katavi in Katavi National Park and Greystorke and Kungwe Beach Lodge in Mahale National Park.

:: South Africa ::

South Africa is going to be busy in 2010 hosting the World Cup. We are looking forward to cheering the US team as well as the Tanzanian team [hopefully Tanzania will be there] in South Africa in 2010.

With this in mind, we are working with the many lodges like the Travel and Leisure awarded Sabi Sabi Lodges and CC Africa in bringing you Safaris you can enjoy this year or in 2010. We are planning our Safaris around the famous Kruger National Park as well private reserves like Sabi Sabi, Ngala and Phinda Game Private Reserve. You will also be able to extend your Safari to Botswana and Namibia, two unique countries with vastly different landscapes from Tanzania and Kenya.

We look forward to showing you and your family/friends these great new destinations.
